

We Asked: Do you ♥ Chinnor?
& Chinnor answered: **YES** We Do!

300+ villagers aged over 18 have taken part in the Community Led Future survey, we did this either at meetings of their clubs or associations, at the flower festival, an open day event held at Old Kiln Lakes or through the “lovechinnor” website.

Thanks to everyone involved!

The CLF survey has identified what is important to our community; here are the top hits and contacts for you to get involved in keeping Chinnor a top 10 family friendly hotspot.

(www.family.co.uk) In most cases internet contact is required, if you need assistance with this, the Library PC's are available without charge, call to book a time 01844 351721. Also you can call Milly (Age UK) 07827235417 for a free tuition course.
