

# Community Led planning - how we can help

A Community Led Plan sets out a VISION of how your community wants to develop and identifies the ACTION needed for you to achieve it.

[communityfirstoxon.org](http://communityfirstoxon.org)

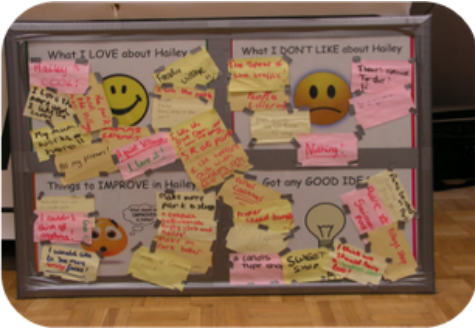

- Attending your meetings to explain more about the process.
- Facilitating your CLP launch event
- Guidance through the different stages of a Community Led Plan
- Ideas for consulting and involving your community
- Sharing ideas from other Plan groups
- Giving funding information and small grants to help you involve everyone
- Helping you with next steps
- Supporting you to implement actions
- Community led planning guides, case studies, data

**Charlgrove: 600 new volunteers came forward to help with the actions in their village plan**  
**Upton: The plan has generated ongoing change in the village in the awareness and enthusiasm of everyone in the village.**

# Community Led Planning

## Ewelme

As a result of their community plan, there is now a village shop

## Hailey

'It has improved communication and given residents the opportunity to say what they want the parish's future to look like, not what anyone else thinks they may want it to look like'

## Whitchurch-on-Thames

'The team effort was really important for the community, now we have no trouble in getting things done.'

Community Led Plan can help your community think about all aspects of community life

**Your community has a future...be a part of it**

- Enable the whole community to contribute
- Help access funding
- Inform policy makers and give a local perspective
- Identify opportunities for new projects
- Highlight issues of concern
- Build community spirit

Creating thriving, socially active, successful communities where people have a positive sense of belonging
