

The 4-step Roadmap out of Lockdown as applied to Village and Community Halls

While the road map announced by the Prime Minister on 22 February indicated that village and community halls will re-open after Easter, on 12 April, this has been contradicted by guidance issued on 25 February indicating that they can only open on 12 April for those activities already permitted under lockdown plus a small list of further activities, given below. They are otherwise closed until 17 May: **This information is up to date as of on 1 March 2021.**

Some outdoor activities on playing fields can commence earlier. The process of unlocking will apply in four steps across England, without reverting to Tiers, with a minimum five weeks between each step.

Each step is dependent on all four of the following conditions being met. All dates are “no earlier than” and the Government will confirm a week beforehand. When accepting bookings, it would therefore be prudent to consider the dates of the latter two steps as more likely to be changed than the first two.

- The coronavirus vaccine programme continues to go to plan.
- Evidence shows vaccines are sufficiently reducing the number of people dying or needing hospital treatment.
- Infection rates do not risk a surge in hospital admissions.
- New variants of the virus do not fundamentally change the risk of lifting.

Step One: 8 March and 29 March

From 8 March

- All schools will open, so schools can use village halls.
- Outdoor after-school sports, activities and wraparound childcare allowing parents to work or undertake training will be allowed.
- Two people will be able to meet in outdoor public spaces, meaning they can sit down for a coffee, drink or picnic in a recreation ground, park or playing field.
- Up to 30 can attend funerals, up to 6 wakes and weddings (no longer limited to exceptional circumstances).

From 29 March

- Outdoor gatherings of either six people or two households will be allowed – the “rule of six”.
- Outdoor sports facilities such as tennis, bowls or basketball courts can reopen.

- Outdoors, organised adult and children's sport, e.g., grassroots football, can return.
- Outdoors, organised activities for children can take place e.g., cubs, brownies etc.
- Outdoors, parent and child groups can meet with up to 15 attending, plus under-fives.
- Out of school children's settings will be able to accept all children.

Step Two: 12 April

- Only the activities shown here are permitted. Other activities (e.g. art classes, clubs, WIs, craft groups, Parish Council meetings) will not yet be permitted.
- Food and alcohol can be served to those seated in outdoor settings, or as takeaways, alcohol served without the need for a meal.
- Indoor gyms can re-open, but **not** exercise classes.
- Funerals can take place with up to 30 people; wakes and weddings will be allowed up to 15 guests. (Restaurants and hotels will not yet be open).
- All indoor children's activities can open, including dance classes, musical activities, cubs, scouts, brownies.
- Parent and child groups can open indoors, e.g. parent and toddlers, with up to 15 attending plus under-fives.
- Non-essential retail can re-open e.g. hairdressers, charity shops.
- Outdoor gatherings or events organised by a business, charity, public body or similar organisation, can be held under Covid-19 secure conditions, enabling a village fete or spectators at a sports match, subject to the rule of 6. Guidance will be issued.

The social contact rules will continue to apply in all settings - meaning social distancing must be maintained, no indoor mixing allowed between different households.

Government guidance issued on 25 February on [re-opening businesses and venues in England](#) says: "indoor events that bring people together - even if they do not mix with other households - must not run until Step 3. This is only permitted if there is an explicit exemption - this includes support groups, supervised activities for children, parent-and-child groups (up to 15 people, not counting those aged under five), communal worship, or a wedding, reception or commemorative event like a wake."

Step Three: 17 May

- Controlled indoor events can take place with up to 50% capacity.
- Hospitality settings will be able to open in accordance with the "rule of 6", so community cafes, coffee mornings and social clubs can take place.
- Film shows, plays, concerts and sports matches can take place, subject to social distancing.
- Indoor sports activities, including exercise classes, table tennis, badminton can take place.
- Up to 30 people will be able to attend weddings, receptions, funerals, and wakes. Christenings and bar mitzvahs will be allowed.
- Organised outdoor entertainment can take place.

- The "rule of six" will be abolished for outdoor gatherings, replaced with a limit of 30 people.

The "rule of 6" will apply to indoor events. Guidance on social contact between friends and family will be reviewed. While so-called "vaccine passports" are under consideration for allowing certain indoor venues to re-open safely at this step that would hopefully be confined to larger venues, not village and community halls.

Step Four: 21 June

- All legal limits on social contact are removed. Outdoor events with more than 30 people can take place.
- Dancing is permitted.
- Restrictions on numbers at weddings and funerals are abolished.

Preparing for re-opening

A checklist of points to consider is given in **Appendix A of the ACRE Information Sheet, Opening your Village Hall**. A key point to remember is the need to make sure the hall's Fire Safety Risk Assessment is up to date, particularly if use of the hall has changed significantly or building alterations have been carried out while the hall was closed.

Test, trace, and isolated will remain in place, so there will be continued need to keep records of attendance for this purpose. Continued attention to hand washing, good hygiene, wearing of face masks, social distancing and indoor capacity limits will be required until at least the 21 June. The government has warned that some of these measures may need to be re-applied next winter to keep the virus under control.

Annual Parish Meetings

The Annual Parish Meeting is required to be held between 1 March and 30 June each year. This is when the Parish Council report to the community on its work the preceding year and plans for the future. Usually, other groups are invited to do the same and a speaker is invited. This could become an important community event this year.

The potential for delay on 17 May (Step 3), when 50% capacity is permitted, and 21 June (Step 4), when full attendance is due to be permitted, makes it prudent to arrange these for June rather than May, with capacity for people to join via Zoom.
