Active Listening

Monday 4th April 12 - 1pm

<https://www.eventbrite.co.uk/e/270916316997>

Enabling you and your community to:

- Understand ABCD principles and explore how these can be put into practice in your community
- Focus on what's strong not what's wrong and engage everyone especially those who not are usually involved
- Be community-led and uncover community assets
- Build your listening and communication skills to find out what matters to your neighbours and what capacities they have to help strengthen community life

Join one session or both – learning from each session contributes to the other but can also be used separately
